Under the above mentioned forwarder's liability insurance coverage currently exists on basis of the policy conditions for the contractual liability of the insured within the framework of the prescriptions applicable in each case, especially the liability out of:

- legal liability provisions
- international conventions
- contractual, commerce usual liability declarations

Within the framework of the so-called "liability corridor" in accordance with the German Commercial Code (HGB) a liability up to 40 special drawing rights (SZR) is insured provided that the forwarder can prove a corresponding valid agreement with his customer and provided that the customer also has a corresponding agreement with his customer.

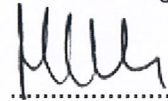

The maximum indemnification amounts to EUR 2,500,000.00 each event.

The maximum indemnification for all damage events of the insured contracts amounts per year to EUR 7,500,000.00.

Based on this confirmation the insurer(s) do not accept any obligation towards any third party. This confirmation does not bind in particular the insurer(s) or Carl Schröter GmbH & Co. KG to provide information about any changes or termination of the insurance cover.
